# USBF 12 Board VP Scale

Dylan was in a queue at the Supermarket when he noticed that the rather dishy blonde behind him had just raised her hand and was waving him a big 'hello'.

He was taken aback that such a looker would be waving to him, and although her face was vaguely familiar, Dylan can't place how he knew her, so he says, 'Sorry, do you know me?'

She replied, 'I may be mistaken, but I thought you might be the father of one of my children'

Dylan's mind shoots back to the one and only time he has been unfaithful,

'Blimey!' he says, 'Did we meet on Frank's stag do in Newport?'

Dylan continued, 'When I was released from the police station and got back to the hotel room, you had gone.'

"No," she replied, 'I'm your son's English Teacher'.

## New Female Math

Yesterday I was having some work done on my car at the Ford dealer.

While I was talking to Bert, the Mechanic, a woman came in and asked for a seven-hundred-ten.... We all looked at each other, and the Bert asked, 'What is a seven-hundred-ten?'

She replied, 'You know, the little piece in the middle of the engine. I lost it and need a new one. It had always been there.'

Bert gave the woman a piece of paper and a pen and asked her to draw what the piece looked like. She drew a circle and in the middle of it wrote 710. He then took her over to another car which had the hood up and asked, 'Is there a 710 on this car?'

She pointed and said, 'Of course, it's right there.'

*(hint: turn it upside down!!)*

## Love Affair?

An 80 year old woman was arrested for shop lifting. When she went before the judge in Cincinnati he asked her, 'What did you steal?'

She replied, 'A can of peaches.'

The judge then asked her why she had stolen the can of peaches and she replied that she was hungry.

The judge then asked her how many peaches were in the can. She replied 6.

The judge then said, 'I will then give you 6 days in jail.'

Before the judge could actually pronounce the punishment, the woman's husband spoke up and asked the judge if he could say something.

The judge said, 'What is it?'

The husband said, 'She also stole a can of peas.'

## Is Romance Dead?

Brian had asked Dave to help him out with cutting his rather large garden hedge after work, so Dave went straight over to Brian's home. When they got to the front door, Brian went straight up to his wife, gave her a big hug and told her how beautiful she was and how much he had missed her at work. When it was time for supper, he complimented his wife on her excellent cooking, kissed her and told her how much he loved her.

Once they were cutting the privet, Dave told Brian that he was surprised that he fussed so much over his wife. Brian said that he'd started this about six months ago, it had revived their marriage, and things couldn't be better. Dave thought he'd give it a go.

When he got home, he gave his wife a massive hug, kissed her and told her that he loved her. His wife burst into tears. Dave was confused and asked why she was crying. She said, 'This is the worst day of my life. First, little Nigel fell off his bike and twisted his ankle. Then, the washing machine broke and flooded the basement. And now, you come home drunk!'

## VuGraph Information

The 2015 Women's USBC will be covered on BBO Vugraph starting with the Semi-finals. We hope to cover all 4 tables in play in the Semi-finals and both tables in the USA1 & USA2 Finals. To watch the Vugraph online, go to the **BBO website** where you can either log on directly from your browser, go to "Vugraph" and choose which table to watch, or download the BBO software to run BBO on your computer. If you choose the latter approach, after downloading, install the software on your computer, log on, follow the directions to become a BBO member and you'll be magically transported to the Lobby of the largest bridge club in the world. Click on the button labeled VUGRAPH and you'll be able to choose which of the matches you want to watch.

There will often be a "yellow" user on BBO called USBF. If you have general questions, please ask USBF, not one of the hard-working Vugraph Operators, who may not have time to respond to private messages. Thank you.

The schedule on Sunday (the 64 board Semi-Final) is:

10:00-12:15

12:30-2:45

4:00-6:15

6:30-8:45

The schedule for each of the remaining days (60 boards a day) is the same (these are Florida times; to see the times for your time-zone, go to the **BBO Vugraph schedule site**:

10:00 - 12:10: Segment 1

12:20 - 2: 30: Segment 2

3:40 - 5:50: Segment 3

6:00 - 8:10: Segment 4

I love watching in my jammies!

Segments 2 and 4 may start a little earlier or later than they are scheduled depending on when segments 1 and 3 end.

All of the teams will play the same boards, but for security reasons, if one match is sufficiently behind that we have to start it later than the other one, we will not start the Vugraph broadcast until both matches have started play.

After a session, you can review the Vugraph action on our Web Vugraphs, which show each hand played with a link to bidding and play records. Take a look at the events currently available to see what we'll have for the 2015 Women's USBC. Web Vugraphs are posted within about half an hour of completion of the Vugraph show.

**No Electronic Devices are Permitted in the Playing Area.**

**This applies to players AND kibitzers.**

**Severe penalties will be assessed for violation of this rule.**

**Please turn off all cell phones and check them at the door.**

### Chef John Jennet

Everyone that comes in knows Chef John for his friendly demeanor and jovial personality. John has been at the Floridian for over 31 years. He started as a busboy, worked his way up to the dish room cleaning pots and pans, and then got his big break working in the kitchen alongside his father, brother and with long-time chef Butch, who was his mentor and is now the owner of the Floridian.

"I was inspired to become a chef because I grew up around restaurants all my life. I have watched my family cooking in the kitchen for as long as I can remember,"

Each day, Chef John and his team of experienced cooks mix up the best meals in town, including homemade soups, fresh chili, marinara sauce, their famous crab meat omelet which was featured on the Rachael Ray show, meatloaf, country ham which is flown in from West Virginia, a plethora of desserts such as cakes and brownies and much more. "We have a very traditional menu, with all the same original recipes from 30 years ago," he said.

# Team Practice: Jill and Jenny vs Jill and Migry

On Tuesday night, the Narasimhan team was spotted practicing in an IMP Pairs game online on BBO. Jenny Ryman (North) partnered Jill Levin (South) and Migry (East) partnered Jill Meyers (West).

On Board 7, Ryman/Levin bid and made 6H for a gain of 14.5 IMPs after Levin opened 1H and Ryman responded 1S. Levin bid 2C and Ryman bid 4th suit forcing. Levin bid 3C; Ryman bid 3D; Migry doubled and Levin wisely passed it around to her partner who redoubled to indicate first round control. Subsequent cuebids were followed by key card.

Ryman showed two key cards and Levin placed the hand in 6H.

Meyers led a fifth best diamond.

The winning line of play (double dummy) is not obvious. It involves taking an immediate club finesse!!

Instead, Levin won the diamond with the ace in dummy and played the ace of spades, followed by the spade king. Migry ruffed with the five, overruffed with the six.

Levin cashed her ace and king of clubs and led her club six. Meyers pitched a diamond and Levin ruffed low in dummy.

Levin played the queen of spades, Migry ruffing with the eight and Levin again overruffing with the ten.

Levin led the club nine and Meyer made the fatal play of trumping with her seven!!!

This was overruffed and followed with the spade ten. Migry chose to ruff with the heart jack but it mattered not. Levin overruffed with the heart queen and led the jack of clubs, discarding dummy's diamond. Levin ruffed a diamond in dummy.

In the end, Migry could collect her trump ace whenever she desired.

If Meyers hadn't ruffed with the seven of hearts, she would have been able to ruff declarer's good club with her trump, preventing the diamond discard from dummy.

Ironically, several pairs reached six spades on the hand. Even if East did not find the lead of the heart ace and a heart for the ruff, the contract was defeated because of the bad spade break.

Ryman/Levin did well to play the hand in hearts.

While I am sure it is fun to practice against one's teammates, it has to be tough to get excited about your big swings since you really are striving for both pairs to score well in face of the upcoming competition.

Good luck to all!!

## Special Request from the Editor...

I will be doing these bulletins from South Bend, Indiana, and Gatlinburg, Tennessee. During the RR matches, I have no way to access the hands. I would greatly appreciate it if any of you who find an interesting hand would email it to me at [stansubeck@prodigy.net](mailto:stansubeck@prodigy.net) ... along with the bidding and play if applicable to the write-up. If it is inconvenient to email it, you can call on my cell at 708-927-6819 or on Stan's cell at 708-927-6851. If you don't feed me a hand or two, I will have to improvise??? Thanks in advance.
