

WITT Meeting Denver November 2005

Present: Beth Palmer, Chairman, Cheri Bjerkan, Nadine Wood, Rosanne Pollack, Carlyn Steiner, Joanna Stansby, Gail Greenberg, Tobi Sokolow and Charlie MacCracken.

We discussed the playing times of our events at the trials. When there are four segments per day we could do two before a long break and two after or three and one as we have been doing. No change was recommended at this time.

We had planned to hold another reception in Denver similar to the one held in Atlanta. It did not happen, but we will try again for Dallas. We agreed to send a letter to those who played in the Women's Teams and Pairs in Denver to thank them for playing and inviting them to the Dallas reception. The reception will be held on Thursday after the evening session of the Women's Pairs. In addition an invitation letter will be sent to Texas women bridge players.

Beth will ask Jay for ACBL funding for postage and refreshments. Carlyn offered to pay if funds were not forthcoming from ACBL or elsewhere.

Next meeting: Friday, April 7, 11:30 p.m., Cumberland D, exhibit level, Hyatt Regency Dallas.
