Some Suggestions For Dining at Home Between Sessions! Pandemic Pleasures...

TOMATO & ROSEMARY FOCACCIA

Servings: 6-8

Focaccia:

3 1/3 cups (415 g) bread flour
2 teaspoons (10 g) instant yeast
1 tablespoon (13 g) rosemary, minced
3 cups (705 ml) water, room temperature
1/4 cup (2 oz. or 60 ml) extra-virgin olive oil
2 1/2 teaspoons (12 g) table salt
Olive oil spray

Toppings:

24 cherry tomatoes
2 teaspoons (10 g) rosemary, minced
3/4 teaspoon (4 g) coarse sea salt, or 1-1/4 teaspoons (6 g) kosher salt

Directions:

Whisk flour, yeast and rosemary together in large bowl. Add room-temperature water and oil and stir with spatula until dough forms. Cover bowl with plastic wrap and let sit for 10 minutes. Sprinkle salt over dough and mix until fully incorporated. Cover bowl with a towel or plastic wrap and let dough rest for 20 minutes.

Using your wet hands or spatula sprayed with vegetable oil, fold dough over itself by gently lifting and folding edge of dough toward middle. Turn bowl 90 degrees; fold again, rotate 90 degrees and fold again (total of four folds). Cover bowl with towel or plastic wrap and let dough rest for 20 minutes. Repeat folding technique another 3 times, letting the dough rest for 20 minutes each time.

Add two tablespoons olive oil to a 13 by 9-inch (23 by 33 cm) baking pan and brush to coat all the inside of the pan. Transfer dough to prepared pan and gently press the dough towards corners. Spray or brush with olive oil and wrap with plastic wrap. Refrigerate overnight.

Remove from fridge 1 hour before baking. Dough should have doubled in height and be jiggly when shaken.

Press tomatoes into dough and spray or brush top with a little olive oil. Top with rosemary and sea salt.

Heat oven to 400 degrees F (205 degrees C). Uncover and bake for 35 to 40 minutes, until nicely browned.

MARGHERITA PIZZA

Servings: 1

Pizza:

1 portion individual pizza dough
Generous 1/3 cup (100 g) tomato sauce
3 fresh basil leaves, torn in half
1 tablespoon (15 ml) olive oil
1/2 cup (4 oz. or 115 g) fresh whole-milk mozzarella cheese

Pizza Dough:

Servings: 3 individual or 2 large pizzas
3 1/2 cups (420 g) bread flour
2 teaspoons (10 g) fine sea salt
1/4 cup plus 1 tablespoon (60 ml) warm water (80 degrees F to 85 degrees F or 27 degrees C to 29 degrees C)
1 teaspoon (5 g) extra virgin olive oil
1 tablespoon (15 g) honey
1 1/2 to 2 cups water (355 ml), plus more as needed

Directions:

For the Pizza:

At least 45 minutes before baking pizza, put stone or pizza steel in preheated 500 degrees F (260 degrees C) oven.

Put the sauce in the center of the stretched dough and use the back of a spoon to spread it evenly across the surface, stopping approximately 1/2 inch (1.25 cm) from the edges.

Drizzle a little olive oil over the pizza dough. Break the cheese into large pieces and place these gently on top of the sauce. Scatter basil leaves over the top.

Using a pizza peel, pick up the pie and slide it onto the heated stone or steel in the oven. Bake until the crust is golden brown, and the cheese is bubbling, approximately 4 to 8 minutes.

For the Pizza Dough:

Place the flour, yeast and salt in the bowl of a stand mixer. With the mixer running, pour the oil, honey and water in a steady stream. Continue to mix for 2 to 3 minutes. The finished dough should be soft, slightly sticky and elastic. If too dry, add a bit more water; if too wet, a tablespoon or so more flour.

Move the dough to the work surface and cut the dough into halves or thirds.
Form the dough into balls and refrigerate for 24-72 hours

Season toasted bread with salt and pepper. Set aside to cool to room temperature.

For the dressing: In a large bowl, whisk all ingredients together. Season with salt and pepper to taste. Serve, or allow the salad to sit for about half an hour for the flavors to blend.

Logic Puzzle
Answer on Page 9

Originally from Raleigh, North Carolina, **Frank T "Nick" Nickell** now lives in New York most of the time. Nick is the driving force behind the composition of one of the strongest ever bridge teams.

An investment banker and entrepreneur, Nick wanted to put together a very good team in the early nineties. His partner, Dick Freeman, suggested that Bob Hamman/Bobby Wolff and Jeff Meckstroth/Eric Rodwell were the two pairs needed. How right he was! This group (with Paul Soloway replacing Wolff in 1998, Zia replacing Soloway in 2008, and most recently Ralph Katz replacing Dick Freeman following his passing) proceeded to reel off an amazing run of results.

From 1995 to 2009, they reached the final of five of six Bermuda Bowls - beating Canada in the 1995 final in Beijing, Brazil in Bermuda in January, 2000, and Italy in Monte Carlo in 2003 and Sao Paulo in 2009, losing to the French in Hammamet in 1997 and to Italy in Estoril in 2005. They have also won too many US titles to list.

Playing with Hamman, Nick won the Cavendish Invitational Pairs in 1998. He is a WBF Grand Master, ranking 10th in the current standings. Business and family commitments leave Nick very little time to play between major tournaments, but he and Ralph Katz have been working on their partnership online between tournaments.

One of Nick's sons is an accomplished concert pianist. He is amazingly talented and provides great background music during practice matches online.

Nick has a penchant for "wish tricks" and it makes practice matches with Nick and Ralph fun and entertaining.

Nick is great for the game. He is a big supporter of Junior Bridge and bridge in general.

Meet the Players

Ralph Katz was born in 1957 in Pittsburgh, PA and raised in Steubenville, OH. He was 22 when he won his first National Championship, the Life Master Pairs, and 24 when he won both the Spingold and Master Mixed Teams at the Summer Nationals. Not long after graduating college he moved to Chicago to trade options, but his loyalty to the Pittsburgh Pirates and Steelers has never waned.

His wife Martha won the World Junior Championship in 1991 and their son Sam was King of Bridge in 2006, so there is a family tradition of Bridge success.

Ralph's partnership with Nick began in 2009, a win in the Trials leading a few months later to victory over Italy in the 2009 Bermuda Bowl final in Sao Paulo.

In addition to that gold medal, Ralph has won three silver medals at the world level: 1990 World Open Pairs; 2007 Bermuda Bowl; 2010 Rosenblum Teams. With 21 North American titles with many different colleagues, Ralph has earned a reputation as a great partner and teammate, perhaps the ultimate compliment attainable from peers.

Both Ralph and Nick are in the ACBL Hall of Fame!

USBF Supporting Membership

If you don't want to play in the USBF Championships that choose teams to represent the USA in the World Bridge Federation Championships, but do want to aid our events, a **Supporting Membership** can be the perfect way for you to be involved. As a Supporting Member, you are eligible to:

1. Enter the fantasy brackets, run on Bridge Winners, for the USBF trials choosing our Open and Senior teams for the World Championships. The highest-ranking Supporting Member in the fantasy brackets for each of these two events will win the prize of your choice - either an online match against the USBC winners or dinner with them at the next NABC.
2. Receive daily emails during the USBF Championships. These will summarize the previous day's results and provide vugraph information and links to daily bulletins containing pictures and commentary on individual hands.
3. Upon advanced request, make arrangements for you to kibitz a USBF member of your choice for a session once each year – either at an NABC or the USBF Championships.
4. Upon advanced request, we will arrange for you to be one of the vugraph commentators for one session of the team trials.

A Supporting Membership is \$25 for one year (\$75 for 3 years) and the ACBL now offers you the chance to become an USBF Supporting Member when you renew your ACBL membership. If you don't want to wait that long, you can join by choosing the red Donate Now button on the USBF website. Your donation will be used to cover inevitable expenses: attorney fees, accounting fees, website support services, tournament directors, insurance, WBF dues, and vugraph operators. The USBF is an all-volunteer organization. Our meetings are by conference call and at NABCS. Board members and the organization's officers are not compensated for meetings, travel, or hotel expenses.

We hope you will join us.

Limey Jack...

Cheerio Colonials:

Who else but Limey Jack could tell you for a cert that Nickell would be upset. Keep the dial on the Telly tuned to every word from Limey Jack, but when Howie Dung is speaking, go to the loo.

Fleisher-Lebowitz: M Rosenberg is nearest to a countryman of Limey Jack and thus will keep the juniors under control as they cruise to a good sized headline.

Rosenthal-Levine: hard as horses to ever go against the Levine studs, but Rosenthal is performing like Man City V Sheffield United.

Make a few bob or listen to a buffoon. Seems clear as bells.

Fleisher's got the old guard.
They're solid and they're strong...
Unless you deal Woolsey
A suit that's really long!

Then you will be guessing
Does his preempt really stink?
Is it any 5-card suit,
Or is it what you think?

Lebowitz has young guys,
With winning in their sights.
But they will make the wild plays
To see their names in lights!

I am picking Lebowitz...
They're pumped up and alive.
Fleisher is a goner.
Grossacks will survive.

Levine's done well with Mike Passell,
But now he's getting cold.
Houston has its problems...
Poor Morris! And poor Wold!

Rosenthal is ready.
He's ousted great team Nick.
He's not afraid of Eddie.
So Andrew is my pick!

Till tomorrow! I am Howie Doing...

Most everyone played in 3NT on Board 5. Jeff Wolfson was the only one to bring home nine tricks.

A heart was led to the ace and a heart returned. Wolfson cashed five rounds of diamonds to reach this position:

On the 6th diamond, Wold needed to choose between discarding a club and a spade. We can see that if he discards a club, the defense will take four of the last five tricks... and indeed, that is what happened at most tables.

Wold was unsure of the black suit holdings. He chose to discard his small spade.

Wolfson exited with a spade to Wold's ace. Wold cashed his hearts and Levine was squeezed in the black suits. It turns out that the spade discard did not actually cost a trick. Wold needed to cash only one high heart. He could then exit with a club to Wolfson's ace and Levine would take the last two tricks.

What happened at the table is a form of a suicide squeeze...

2021 JLall Online Teams #3

The third USBF JLall Online Teams event (JLall3) will be held from April 9-12 and April 16-19 on RealBridge. It will be very similar to JLall2, with a few minor changes suggested by the players in JLall2. JLall3 is open to all Active USBF members. An Active member is one who has paid USBF dues. All players must have paid 2021 dues on or before April. 1.

Event Schedule and Format

- JLall3 will be held from April 9-12 and April 16-19.
- Play each day will start at 1:00 pm EDT and end no later than 9:30 pm EDT.
- There will be no more than 32 teams, each with 4-6 players, all of whom are USBF Active members.
- The entry fee for the event is \$300 per team.
- DIC for the event is McKenzie Myers. Tournament Organizer is Jan Martel. Software guru is Al Hollander.
- The event format will be:

Round Robin Stage 1, April 9-11:

Everyone plays 3 days of a "split field" Round Robin with 10 board matches; there are two Round Robin groups, to be named by the winners of JLall2. Teams will be assigned to the two groups based on a "draft" by the top two teams (chosen by a vote of all teams). The top 5 teams in each group will qualify for the KO Round of 16. The bottom 6 teams in each group will be eliminated. The five teams in the middle of each group ("bubble teams") will play in Stage 2 of the Round Robin.

Round Robin Stage 2, April. 12th:

Each bubble team plays a 10 board match against each bubble team from the other group, scored at VPs with carryover from the first 3 days. The top 6 teams qualify for the Round of 16. The bottom 4 teams are eliminated.

Knockouts, April 16-19:

- One match per day. 56 boards per match. If both of the finalists want a longer match (60 or 64 boards), we will have that.

• **There will be a short Captains' meeting on April 20th to set the KO bracket.** The precise method of setting the bracket is set forth in the Special Conditions of Contest. Summary: the top 4 teams from Round Robin Stage 1 will select their opponents for the Round of 16 from the bottom 8 qualifiers. The remaining qualifiers will be shuffled in groups to fill the bracket.

• The matches will be played on RealBridge. During the bidding & play, each player will see & hear their screenmate - (N&E, S&W). Before and after each match, teammates will be seated at one table, and RealBridge is working on a way to allow the players who were sitting out to join you (players who sat out can see & hear their teammates and be heard but not seen).

• There will be no real-time online kibitzing allowed for any match. Kibitzers will be able to watch after a delay. For the Round Robin, the delay will be until each match is over so kibitzing does not provide "state of the match" information. For the first half of each KO match, each board will be shown when all tables have completed it. For the second half of each KO match, kibitzing will start at the end of the segment. We will try to have voice commentary, and perhaps may limit chat at the tables late in the event to approved commentators.

• RealBridge will archive bidding, play & score information for the event. We will also post scores on this website.

• Players may consult their bidding notes, SSF, and convention card **during the bidding only**. Other aids to memory (for example, lists of percentages, calculators, notes about carding) are not allowed.

How to Enter the JLall 3

(continued from page 17)

- Entries are now open. Entries will close on the earlier of March 12th or when 32 teams (and 2 alternates) have entered. You must be logged in to this website to enter. After you have logged in, click on "Enter 2021 JLall3" under the User Menu and complete the entry form.
- Your entry is not complete until you have 4 players. You cannot "save" a place in the event by entering a team with fewer than 4 players.
- Any player who has not paid 2021 USBF dues by April 1 will not be allowed to play.
- Teams can freely change their rosters until April 17th, when the division of teams into Round Robin groups will start. After April 17th, a team may change its roster only if the change does not substantially strengthen or weaken the team. Roster changes are made by **email to the Tournament Organizer** (Jan: marteljan@gmail.com). If an added player or pair is not able to meet the deadlines for system filing, they may not play any unusual method unless it is played by another pair in the event.

The East players in the Lall/Fleisher match had different views of their hands.

Bramley treated his good six card spade suit as single suited and jumped to 3S over Gupta's 2D opener while Lall chose to make a take-out double in the same position with his 6-4-0-3 shape.

Woolsey was endplayed into bidding 3NT over 3S with good diamond stoppers and 8 HCP.

A heart lead would defeat 3NT when the ten comes down... however that would take a psychic

Gupta led the DQ. Woolsey won the king, discarding a heart from dummy. He led a spade to the king, ducked, and played the SQ, ducked again. A third spade forced the ace.

In the other room where Lall doubled 2D, Chambers sat with his strong diamond holding.

Lall led the SK. Grue won in dummy and led the D6, playing the deuce from his hand when Chambers contributed the three. He ran the D8 to his nine and played the HQ, ducked. He continued hearts and Lall won his ace. Lall cashed two high spades, played the CK and a club to his partner's ace, and the defense collected six tricks for down one.

According to the Double Dummy analysis now provided by RealBridge, East/West is only entitled to eight tricks in a spade contract and seven tricks in a NT contract... Just an FYI!

On Board 16 in the Nickell/Rosenthal match, both tables reached 4H. Rosenthal played it from South after Silverstein opened 1D while Nickell played it from North after opening 1NT, Katz responding with a Texas transfer.

Against Rosenthal, Weinstein led a spade. Hampson inserted the jack and it held. He cashed the SA and shifted to the C5. Rosenthal inserted the jack. Andrew should have gone to temple (after all, it is Purim). He didn't apply the Rabbi's rule and led a low heart from his hand, losing to the singleton king with Weinstein.

Weinstein continued clubs, won in dummy with the ace. The HQ was cashed. Rosenthal, having no clue that the two high diamonds would not be cashing, played the ace and king. When Hampson ruffed, Rosenthal overruffed, but now he came up a trick short, Weinstein's carefully preserved C9 scored trick 13 for down one!

Against Nickell, Ginossar led his singleton DJ. Nick recognized that this was likely from shortness. Still, you can't blame a guy for trying. Nick won the DA and tried the DK. Eldad ruffed with the five and Nick overruffed with dummy's six. He played a club to the ace and a club to the king. He ruffed the third club felling the queen and turning the jack good in dummy. He played the HQ to the ace!! He knew the Rabbi's rule! Nick cashed dummy's HJ and led the H9 to Ginossar's ten. Eldad was

down to all spades. East/West collected their two high spades and dummy was good. Contract making. 10 IMPs to Nick

What Comes Around, Goes Around...

On Board 25 in the Fleisher/Lall match, Zia opened 1D and Brad Moss overcalled 1S. Brad had a decent suit and a bad hand. Naren Gupta made a negative double and Joe Grue bid 1NT showing clubs (either a suit or lead directing). Zia doubled to show his strong hand. This passed around to Grue who bid 2C. Zia doubled again and Naren was happy to sit with his strong club holding.

The defense started with three rounds of diamonds. Declarer ruffed the third diamond and led the CQ. Gupta won the CK and returned the HQ. This was ducked around. Gupta continued with a small heart to Grue's ten and Zia's ace. Zia led the D3. Dummy discarded a heart and North pitched a spade. Declarer trumped in hand and led a spade to the ace. The SQ was passed around to Zia's king. Zia returned the D8, trumped in

dummy and over ruffed by Gupta's CA. Naren played a heart and Zia scored his CT for the eighth defensive trick. N/S +800 was good for 6 IMPs when their counterparts played in 3NTX scoring +550.

On the very next hand, it was Zia/Gupta's turn to get aggressive.

Grue opened 1C. Zia overcalled 1D. Moss passed, and when Naren freely bid 1H, Grue bid 1NT showing better than 15-17. Zia showed no respect and jumped to 4H over 1NT. Brad Moss doubled.

Grue led the H2, which was ducked to West's queen. Brad returned the C4 to Grue's CQ and Dummy trumped. Gupta cashed the DA, discarding a spade and led the DQ, tossing a second spade. East won the DK and played two rounds of hearts. Gupta won the HK and cashed the DJ discarding a club. Declarer exited dummy with a spade on which he discarded a losing club.

Moss won the spade, cashed the D9 and continued spades. Declarer's only remaining trick was his high trump.

Down five for N/S scored -1400. At the other table, 4S by E/W was defeated one trick.

Chip Martel showed great instincts on this hand.

Peter Weichsel led the S4 and Martel captured the king with his ace. Chip led a club to the king and returned a club to his ace. A club was trumped with the H7 and Martel played the H4 to his ace felling North's singleton king of trumps!!

Why did he do that?

Martel likely reasoned that North held only one of the diamond honors since he did not lead a diamond on opening lead. Also, South had shown up with the SK... but he needed more than that for his raise to 4S. (The HK would probably not have excited him.)

Dropping the singleton king (Again the Rabbi's Rule and Chip probably knew it was Purim season) was worth 850 and 14 IMPs.

At the other table where Neil Chambers did not play for the singleton HK, he was defeated a trick in 5H.

Since Bart Bramley did not make a takeout double with the North hand, Chambers had no reason to assume he held more than average strength, AND, Kit Woolsey's 3S bid was gutsy, but effective.

It is easy to see that if North makes his normal lead of the HQ, declarer will likely lose seven tricks (four hearts, one club and two diamonds). But that's not what happened here.

Presumably thinking that South, Zach Grossack, was showing a better hand with a spade stack (note that Zach did not bid 2H over East's 1S bid), Michael Rosenberg led the S9.

Declarer, Fred Chang, won the SA and led the C9. Grossack covered with the CK. Declarer won the CA and played a second round of clubs.

Rosenberg won the CQ and cashed the DK. If South had the DQ, declarer would not have an entry to his hand. If declarer had only Qxx of diamonds and a singleton spade, he would be endplayed in his hand and would only be able to take seven tricks.

Defending on this line Rosenberg continued with the DA and a diamond. Declarer was able to take two diamond tricks and four club tricks to make his contract and score +690.

At the other table, Lev and Cohler played 3H making +170.
