# Kibitzing on VuGraph...

THERE WILL BE DELAYED KIBITZING FOR ALL OF THE JLALL3 EVENT.

KIBITZING SCHEDULE FOR THE ROUND ROBIN (EDT)... The schedule will be the same each day:

Round 1: 2:30 pm Round 2: 4:05 pm Round 3: 5:30 pm Round 4: 7:50 pm Round 5: 9:25 pm **KIBITZING SCHEDULE FOR THE KO** (EDT) Quarter 1: 1:15 pm Quarter 2: 3:15 pm BREAK

Quarter 3: 7:15

Quarter 4: 9:15

Watching online, Even delayed, Is the best way to see How a hand's bid and played!

To kibitz, go to **kibitzrealbridge.online**, enter your name and click on Log In. That will take you to a screen where you can select the event to kibitz.

After you select Kibitz JLall Online Teams #3, you will be taken to a lobby where you will see a list of tables on the left and a chat box and list of people in the lobby on the right. The table listing shows the team & player names at each table, as well as the board and trick that table is playing (that's in the middle of the table, immediately under the table number). Click on a table to kibitz it.

At the table, you will see a hand diagram, and the bidding and play as it happens. You do not get to hear or see the players yet (that's coming).

There is a chat window on the right of the screen (if your browser window isn't large enough to show it, you can click on the "chat" icon immediately above the UNDO button to open the chat window. For now, anyone can type chat into the chat window.

Some things you can do to get more information:

If there is an asterisk next to a bid, that means it was Alerted or Explained. Click on the bid to see the explanation if there was one.

-- "Rewind" the play using the slider underneath the "table" with hand diagram. just move the vertical handle on the slider to the left to go to earlier tricks.

-- Click on the "Scores" button to the left of the South player's name, you will get a scorecard for the match so far. You can use this to get lots of information:

----Click on a board number to see the hand record and results at all the tables.

----You can also click on a number in a yellow box to get to the hand record from some screens.

----In the hand record screen, click on a result to see the bidding and play at a specific table.

--In the upper left corner:

----Click on the yellow box with 4 little boxes to get the match scores for all the matches (that will be IMPs and for the Round Robin will not include scores from previous rounds).

----Click on the yellow box with 3 bulleted lines to get Cross-IMPs for the pairs (that will be just for this match).

The Scores information is also available in the lobby using the button at the upper right in case you want to check on scores before deciding which table to watch.

TIMING OF DELAY

The Round Robin matches will be delayed until each round is completed.

The first half KO matches will be delayed until each board has been played at all tables, so there may sometimes be a period when nothing new is being shown because one or two tables are slow to play the board. For the second half of the KO matches, the delay will be until the quarter has been completed. That means that the 3rd quarter kibitzing will start at 7:15 EDT.

Bramley knew the opponents were expecting a spade lead. He decided to throw them a curve by leading the CA. Unfortunately for him, this took the guess out of the hand and 6H made easily.

At the other table, Wold led his partner's suit and when it came to the club guess, the

fact that Levine had bid made it sound more likely that he held the values. Backing up this thinking, when Platnick reached the crossroads, he led a club toward the KJ2 and when Wold played small, he inserted the jack playing Levine for the ace and Wold for the queen. Levine won his queen, played a club to Wold's ace and the contract failed by a trick.

This was a costly misguess ... 17 IMPs to Levine who went on to win the match 51-5.

In the Lo/Onstott match yesterday, Ai-Tai Lo and Harrison Luba found the par contract when they sacrificed in 7C at favorable against their opponents' cold vulnerable slam. On a diamond lead, West can score two ruffs and E/W will take four tricks for an 800 set. Jim Krekorian led a spade to Drew Casen's ace. Drew cashed the HA and declarer eventually conceded a diamond trick for a 500 set.

At the other table, Jacob Morgan, knowingly or not, made a striped-tailed double of 5H. E/W scored 1050 for 5HX making six. This is a lower score than 6H making six, which would score 1430. Of course, if 5H is redoubled, N/S has to "run like a striped-tail ape" and valiantly try to sacrifice in 6C.

Only three other pairs (Garner/Wolfson, Freeman/Kolesnik and Clayton/Gumperz) bid 6H. Garner/Wolfson and Clayton/Gumperz were doubled and scored 1660. Clayton/Gumperz won 17 IMPs, when their teammates bought the contract in 5C undoubled.

In the Bishel/Moss match, Daniel Korbel and Roger Lee had the big score when their opponents, Bernie Greenspan and Fred Schenker, sacrificed in 6D and were defeated eight tricks for a score of 2000 and a gain of 18 IMPs to Moss.

Eric Greco made a great decision when he doubled 3NT. He knew it was all important to defeat the hand and a heart lead rated to give him his best chance.

Hampson led the HJ which held trick one. He switched to the S6 to the jack, king and eight. Greco continued with the ST to dummy's ace and the DJ was finessed to the king. Hampson played his H8 to Greco's ten. Greco cashed two more high hearts and scored +500.

At the other table, Weinstein/Levin reached 3NT from South rendering the double ineffective. Cappelli led the H2 to Weinstein's queen. Weinstein took the losing diamond finesse. Bitterman exited the H8 which held! The S6 was won with the ace and four rounds of diamonds were cashed. Three rounds of clubs followed and declarer had his nine tricks!

Last night, the Barbeque Hut was the site of a small gathering of friends for dinner. This gathering was very unusual however as most of the people in this group had never seen each other before. They'd all been friends for years as members of an email discussion list but had never met face to face. This gathering had been organized to give everyone a chance to meet and some had even traveled

from afar to attend. Each person to attend also brought a guest – either a good friend or a spouse. The night was deemed a great success and they planned to do another such gathering the following year (oh, and the barbeque dinner was fantastic!). Determine the full name of each attendee, the name and relationship of each guest that was brought (couples were one man and one woman who shared the same last name), and the home city of each attendee.

1. Wendy, whose last name wasn't Farrell, didn't bring a friend. The person from New York had a last name of Dunn. Jeff didn't come with the person from Atlanta.

2. Steve Cash didn't bring Evan. Louise was a friend but she didn't come with the person from Montreal.

3. The three people who brought spouses were the person who came from Houston, Ethan, and the one whose last name was Barr.

4. Fran was married to the person whose last name was Wise, but they weren't from Montreal. Ethan didn't come from Chicago.

5. The six people were represented by the one who brought Greg, the one from Chicago, Amy, the one from London, the one who brought Evan, and the one whose last name was Nann.

6. Mike brought Sara, his wife, but they weren't from Houston. Doug didn't bring Jeff but he was from Montreal.

#### Why Games Bring People Together from Questions Answered... Updated April 22, 2019

Some games are timeless for a reason. Many of the best games bring people together like nothing else, transcending boundaries of age, sex and anything else that typically divides. Fun group games for kids and adults are a great way to bring friends and family together for any occasion. Here are 10 reasons games are so good at bringing people together.

#### **Teach Each Other New Things**

Just because your friends and family do not know how to play your favorite game does not mean you can't play it together. Teaching someone else how to play a game can be a valuable bonding experience, whether they are older or younger than you are.

#### **Try Out New Relationship Dynamics**

Young kids often love teaching adults how to play new games, but there are other ways games change relationship dynamics. A one-player video game, for example, can be turned into a two-player exercise in trust if the player with the controller relies on the other to guide him or her through the virtual world.

#### **Reflect on Fond Memories**

Trivia games for older relatives can be a touchstone for reflecting on memories. The same is true for traditional party games. Scavenger hunt games also encourage a sense of nostalgia, evoking memories of childhood and an accompanying sense of childlike wonder and fun.

#### **Create New Memories**

Remembering the past is always fun, but the best games allow you to create brand new memories as a group. Fun games for workplace colleagues are an excellent way to foster a sense of community with fun memories, for example.

#### **Encourage Humor**

Not all groups are naturally inclined to have a laugh together. Serious Bible study groups, for example, may not seem a place for fun and games, but Christian games for adults — especially those with an emphasis on comedy — can greatly enhance the cohesion of such groups. And a strong sense of community and trust feeds directly back into the efficiency of the meetings.

#### Work as a Team

Fun games for youth groups, party games for ladies' groups and dress-up games for girls are just a few ways to dissolve tension among internally competitive groups of people. Working as a team, either as a whole group or as subdivisions of that group, naturally brings people closer together.

#### **Collective Concentration on a Shared Goal**

Cooperative (non-competitive) puzzle games promote the concept of a shared goal as a way to bring people together. Examples include jigsaw puzzles, crosswords or even word searches. You could also stage a creative singalong.

#### **Structure Interaction**

People love to come together, but sometimes they lack a reason to do so. Games are one of the best ways to structure social interaction, from indoor party games for adults to epic games like Risk or Dungeons & Dragons.

#### **Relieve Stress and Break the Ice**

When times get tough and tensions threaten to split people apart, it may be time to play some fun indoor games for adults. In many cases, players loosen up and give in to the fun.

#### Put Everyone on a Level Playing Field

Forget boys' games and girls' games, kids' games and adult games, video games and complicated card games. When you go for a game that's new for everyone involved, everyone starts on a level playing field. This is great for bonding and trust, as ideally no single player has an advantage over any other.

					ducked the

heart, declarer won in hand and led a club toward the jack. Kevin Rosenberg rose with the CQ and played the HT ruffed in dummy. The CJ drew the S8 from Lien and the SK from declarer. Declarer led the HQ which he ruffed in dummy, ruffed a club in his hand while Lien pitched a diamond, played the SQ to Lien's ace. Lien played the DQ to dummy's ace and declarer played the DK which Lien ruffed with the S4.

Lo and Behold! Rosenberg's S9 was about to promote for the 4th defensive trick! Lien played the HA he ducked earlier. Declarer ruffed with the S3. Rosenberg overruffed with the S9 and it was all over but the shouting!

Had declarer cashed the AK of diamonds before returning to his hand, Lien would not have been able to score his S4 and there would be no story!

It is easy to see that 6H is cold for N/S. All declarer needs to do is follow the rule "Eight Ever Nine Never". Only three pairs bid the cold slam and all three went down by finessing for the HQ.

Twenty-three pairs declared four hearts and eleven of those declarers finessed in hearts and held themselves to eleven tricks. Most of the declarers who took eleven tricks did so after East interfered by overcalling 2D or making a takeout double. Two well-known experts, Bob Hamman and Daniel Korbel finessed, despite having no opposition bidding.

In the case of a 2D overcall, declarer should trump the opening lead and lead a heart to the king, followed by a second round of diamonds. When West follows to the diamond, declarer knows that in the absence of a take out double, East probably does not have 5-4-3-1 distribution. It appears that playing for the HQ to drop is more favorable than the finesse. In the two or three cases where East made a takeout double, there is more justification for playing West to hold Qxx in hearts and finessing.

## Limey Jack...

#### Blimey Yanks:

We are in mourning here but have to keep a stiff upper, don't you know. Limey Jack will maintain his laser sharp focus, but his heart is aching.

Ten have moved on while ten are mort'. The remaining ten joust on the morrow for six remaining spots. If your punter is still about, you can make a few quid as per by following Limey Jack. In honour of the Royals, Limey Jack will forsake any comments about Howie Doing.

The six that strive for the White Cliffs of Dover are Smith, Robinson, Kolesnik, Jacobs, Parker, and Onstott.

RIP Prince Phillip

## **Howie Doing...**

Parker, Kolesnik, Dawson and Lo Get on your mark, get set and then go!

Onstott and Smith, Jacobs and Joel, Zhang and Robinson, all have one goal!

Six out of ten ... the odds are quite fine. Try not to finish 'tween seven and nine.

Robinson's one; Parker is two; Joel is three; And Zhang is all through!

Kolesnik and Lo both fade away. Team Jacobs remains to play one more day. Compton's queen fifth is getting no praise, He only survives if pard doesn't raise!

The hands have been great. So watching is fun. More picks tomorrow when playing is done!

The knockouts start Friday so don't miss a beat. Get something to drink and something to eat.

> Kibitz the best; Kibitz the worst. See who is last and see who is first!

Till then... I'm Howie Doing... fine thanks!
