## **USBF Juniors Get Ready for the JUSBC**

At a recent USBF Junior practice session the defenders set a trap and declarer fell into it. Only five out of sixteen pairs in the BBO field reached 4H. One declarer took ten tricks when East led the very friendly DA.

At the Junior table, where Ava Donnellan was North; Helena Hsieh was East; Jessie Cai was South; Margot Donnellan was West, East led the C2 to West's ace. West returned the DJ. Declarer saw that she could discard a spade on this trick and later be able to discard a second spade on the DK. This is sensible logic. West had opened the bidding and East is likely to hold the DAQ since West had shifted to the DJ. Hence, West must certainly hold the HA and declarer should be able to lead twice toward her heart KO.

Sadly, the fly in the ointment came when trumps broke 4-0 and declarer eventually lost two trump tricks in addition to the CA and DA. Since declarer is thinking that West holds the HA, she should be willing to lose two heart tricks and the CA, but not the DA.

To accomplish this, declarer must trump the diamond return, cash two high spades, and trump a spade in dummy. Declarer can then lead a club to her hand and play her last spade. When East discards, declarer trumps low in dummy and leads the HT. If West plays low declarer passes the HT. If this loses to the HJ, declarer will be able to drive out the HA and draw the last trump. When the HT holds the trick, declarer can cross to her hand and play a high trump, eventually conceding two trumps to West and making 4H.

Glenn Milgrim and I have found that one of the best rewards of mentoring this Junior group on Monday nights is that they learn from their mistakes and grow in the process.

Watching online, Even delayed, Is the best way to see How a hand's bid and played!

To kibitz, go to **the RealBridge kibitzing website**, enter your name and click on Log In. Select event. After you select Kibitz JLall Online Teams #5, you will be taken to a lobby where you will see a list of tables on the left and a chat box and people in the lobby on the right. The table listing shows the team & player names as well as the board being played. There will also be information about whether there is audio/video commentary (a picture of a TV means there is). Click on a table to kibitz it.

There is a chat window on the right of the screen. Anyone can type chat into the chat window.

#### Some things you can do to get more information:

If there is an asterisk next to a bid, that means it was Alerted or Explained. Click on bid for info. To "rewind" the play using the slider underneath the "table" with hand diagram, just move the vertical handle on the slider to the left to go to earlier tricks.

-- Click on the "Scores" button to the left of South's name to get a scorecard for the match.

You can use this to get lots of information:

- ----Click on a board number to see the hand record and results at all tables.
- ----You can click on a number in a yellow box to get to the hand record from some screens.
- ----In the hand record screen, click on a result to see the bidding and play at a specific table.
- --In the upper left corner:
- ----Click on the yellow box with 4 little boxes to get the match scores for all the matches (that will be IMPs and for the Round Robin will not include scores from previous rounds).
- ----Click on the yellow box with 3 bulleted lines to get Cross-IMPs for the pairs (that will be just for this match).

The Scores information is also available in the lobby using the button at the upper right, in case you want to check on scores before deciding which table to watch.

#### **TIMING OF DEFERRAL**

The Round Robin matches will be deferred until each round is completed.

The KO matches will be deferred for half an hour or until each board has been played at all tables, so there may sometimes be a period when nothing new is being shown because one or two tables are very slow to play the board.

# **USBF News...**

The USBF Board has decided to continue to hold the face to face stages of the 2022 Junior USBC in Atlanta and the 2023 USBCs in Schaumburg using LoveBridge. Given the positive response in 2021 and 2022, the USBF foresees using an electronic environment for a minimum of another year. The USBF will be working with LoveBridge to solve some of the problems players have encountered. We welcome your constructive suggestions for improvements.

We have arranged for the hotel sites to provide more suitable tables in all of the playing rooms.

We have requested that LoveBridge improve the method of entering explanations, including development of a method for players to save frequently used explanations so such explanations require just one click to repeat.

We have started to explore the use of Chromebooks instead of tablets to offer more screen size. That will require more programming and if that is not possible, we will have external keyboards and mice for all players.

We have started working on a revision of the Time Sections of the General Conditions of Contest to clarify the use of electronic timing. In conjunction with that, we may ask LoveBridge to change some of the details of time-keeping, probably allowing some time to be "neutral" ... meaning not assigned to either pair.

#### New Presidents for WBF and EBL

10 JUNE 2022

Jan Kamras

**Jan Kamras** has run for president of the World Bridge Federation (WBF). The presidential election will take place at the WBF Congress during the World Bridge Series in August in Wrocław, Poland. So far, no other candidate has come forward. This represents the end of the era of Gianarrigo Rona; the Italian has been the top boss of global bridge since 2009.

Kamras is currently president of the European Bridge League (EBL). He will retire from that position during the European Championships to be held in Madeira from Sunday.

Two candidates have come forward so far to replace Kamras: the Dutchman Eric Laurant, the current treasurer of the EBL, and the German Josef Harsanyi. Laurant and Harsanyi are both members of the EBL Executive Committee.

#### sentatives to the WBF, having worked with Jan Kamras for the past few years, it is my Neapolitan opinion that Jan will do an excellent job following in Giannarigo's footsteps. He will work diligently to promote bridge and fair play in all corners of the world.

This move will leave the organization in good hands!

"Why should it?" answered her spouse. "I keep telling them it's for you."

On a Miami to Chicago flight was a lively youngster who nearly drove everyone crazy. He was running up and down the aisle when the flight attendant started serving coffee. He ran smack into her, knocking a cup of coffee out of her hand and onto the floor.

As he stood by watching her clean up the mess, she glanced up at the boy and said, "Look, why don't you go and play outside?"

You can't believe everything you hear but you can repeat it.

Rushing up to a large airline's ticket counter, a man gasped, "Miss, please help me. I have to get to Chicago in the worst way!"

The clerk calmly pointed to her left and said, "Sir, that would be the girline next to us."

"Nothing looks good on me anymore," wailed a customer modeling an outfit in front of the department store's mirror.

"Nonsense, ma'am," soothed the salesclerk. "That dress says it all."

"That's the problem," the woman replied.
"I need a dress that keeps its mouth shut."

Ethics - The provisions of the USBF General Conditions of Contest regarding ethical obligations and possible penalties apply to this event. The USBF has appointed an Ethics Investigation Committee that will review any complaints about ethics violations. # Some Suggestions For Dining at Home Between Sessions! Pandemic Pleasures...

#### THREE BEAN SALAD

#### INGREDIENTS

- 1 ½ teaspoons coriander seeds
- 1 1/4 teaspoons salt, plus more as needed
- ¼ cup unsweetened rice vinegar, plus more to taste
- 2 teaspoons minced fresh thyme leaves
- 1/2 teaspoon freshly ground black pepper
- ¼ cup extra-virgin olive oil, plus more to taste
- 1 cup thinly sliced red onion
- 1 cup thinly sliced fennel, celery or a combination
- 8 ounces green beans, trimmed and cut into 1-inch pieces (about 2 1/2 cups)
- 1 (15-ounce) can chickpeas, drained and rinsed
- 1 (15-ounce) can cannellini or Great Northern beans, drained and rinsed
- ¼ cup chopped fresh soft herbs, such as parsley, mint, dill, cilantro or a combination
- Flaky sea salt, for serving

#### PREPARATION

- 1. In a dry medium saucepan (one large enough to hold the green beans in Step 4), toast coriander seeds over medium heat, stirring frequently, until fragrant, 2 minutes. Transfer to a small bowl to cool. Once the seeds are cool enough to handle, use a mortar and pestle to crack them, or place them on a cutting board and crack with the flat side of a chef's knife. Set aside.
- 2. Fill the same saucepan you used for the coriander with salted water and bring to a boil.
- 3. While waiting for the water to boil, combine 1/4 cup vinegar, thyme, 1/2 teaspoon salt and 1/4 teaspoon black pepper in large mixing bowl. Slowly whisk in olive oil. Add onion along with fennel or celery, or both, and toss. Set aside to marinate for at least 10 minutes while preparing the rest of the salad.
- 4. To the boiling water, add the green beans and blanch for 2 to 3 minutes, until they turn bright green and are crisp-tender. Immediately drain beans in a colander, then run cold tap water over them to stop the cooking. Once cool, pat them dry.
- 5. Add the blanched green beans, chickpeas, cannellini beans, herbs and toasted coriander seeds to the marinated onions. Season with remaining salt and pepper, and gently toss to evenly combine. Taste and add more salt and vinegar if needed. (Keep in mind that you'll also be adding flaky salt to finish.) Drizzle with olive oil and flaky sea salt, and serve.

Toss the zucchini with 1/2 tablespoon of the oil, 1/8 teaspoon salt, the vinegar, garlic, and parsley. Let cool.

Fresh Mozzarella Soft mozzarella is shaped into balls and stored in water to keep it moist. It is available both salted and unsalted, but the latter is very bland indeed. We prefer the salted variety; salting brings out the mild, milky flavor of the cheese.

Cut one third of shrimp into  $\frac{1}{2}$ " pieces; finely chop remaining shrimp (or pulse in a food processor). Transfer all shrimp to a medium bowl. Mix in potato starch, pepper, 1 Tbsp. beaten eggs, and  $\frac{1}{2}$  tsp. Diamond Crystal or  $\frac{1}{2}$  tsp. Morton kosher salt. Using oiled hands, divide mixture into 4 portions, then shape into  $\frac{1}{2}$ "-thick patties. Place on an oiled baking sheet and chill 1 hour.

#### Step 3

Place panko, flour, and remaining beaten eggs in 3 separate shallow bowls. Working with 1 patty at a time, dredge in flour, shaking off excess. Dip in eggs, letting excess drip back into bowl, then coat in panko, pressing to adhere before shaking off excess.

#### Step 4

Pour oil into a large heavy skillet, preferably cast iron, to come 1" up sides. Clip thermometer to sides of pan. Heat oil over medium until thermometer registers 350°. Working in 2 batches, carefully slide patties into oil and fry, turning halfway through, until golden brown and cooked through, about 3 minutes per side. Transfer to a wire rack set inside a rimmed baking sheet; season with salt.

#### Step 5

Melt 1 Tbsp. butter in another large skillet over medium heat. Working in 2 batches and adding remaining 1 Tbsp. butter between batches, toast buns, cut sides down, until golden brown, about 2 minutes. Transfer to plates.

#### Step 6

Spread each bottom bun with 1 Tbsp. wasabi mayonnaise. Top each with some cabbage and a patty. Spoon reserved egg salad over and close burgers.

**Do ahead:** Egg salad can be made 1 day ahead; cover and chill. Patties can be formed 12 hours ahead; cover and keep chilled.

#### **Kibitzer Activities:**

Normally we would feature local sports happenings, golf courses, and shopping centers in this space. For this event, since all online, we suggest you consult your local restaurants and shopping venues for curb-side pick-up and delivery! If you choose outdoor dining where available or beaches where open, please remember to socially distance and bring your mobile device and wi-fi to be able to watch the matches while enjoying the beautiful outdoors!

And as Sadie Shopper will tell you, online shopping is available in your area (wherever that is) 24 hours a day for your enjoyment.

We recommend you stock up on popcorn and snacks, put your feet on your desk and enjoy the delayed kibitzing of the RealBridge matches.

Five people fly into town to attend a conference. Unfortunately, hotel space for the conference had filled up fast so even though they're from the same company, the five ended up in different hotels. The good news is that the hotels were all within walking distance of the convention center where the conference was being held. The odd thing about the hotels where they stayed is that all were individually-owned, rather than part of corporate chains. However, each was still a very wellrated and successful business. Determine the full name of each person, the name of the hotel each stayed at, and the hotel's rating.

- The Outlook Inn had a higher rating than the hotel where Patricia stayed. The three-star hotel was not Peak's Inn.
- 2. Michael's last name was Ontheway but he didn't stay at the Wayside Lodge. Sarah, whose last name wasn't Spinner, stayed at the Outlook Inn.
- Ms. Windswept and Joseph both stayed at four-star hotels.
- Ms. Weatherby stayed at the Meadow Hotel, which wasn't a five-star hotel.
- 5. The Wayside Lodge was a fivestar hotel. Wendy's last name 14

- wasn't Weaver.
- The Fell Hollows Lodge was rated with one star less than the hotel where the person whose last name was Spinner stayed.

# **USBF Supporting Membership**

If you don't want to play in the USBF Championships that choose teams to represent the USA in the World Bridge Federation Championships, but do want to aid our events, a **Supporting Membership** can be the perfect way for you to be involved.

A Supporting Membership is \$25 for one year (\$75 for 3 years) and your donation will be used to cover inevitable expenses: attorney fees, accounting fees, website support services, tournament directors, insurance, WBF dues, and vugraph operators.

The USBF is an all-volunteer organization.

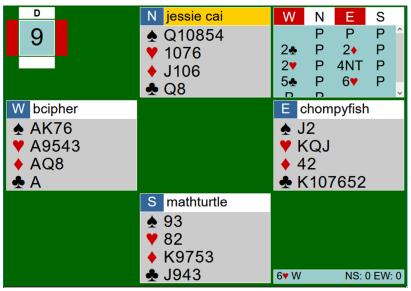

Our meetings are by conference call and at NABCS. Board members and the organization's officers are not compensated for meetings, travel, or hotel expenses.

On Board 24 from a RealBridge Practice Session, each side holds half the deck. East/West can make game in either major... taking 10 tricks in hearts and 11 tricks in spades.

The N/S pair of the team practicing bid 5C over the major suit game and the E/W pair passed, choosing to defend.

5C was down two for -100 and a very good score.

At this week's Monday night USBF Junior practice, Zach Posternak (chompyfish) and Brandon Fong (bcipher) bid a very solid heart slam on Board 9.

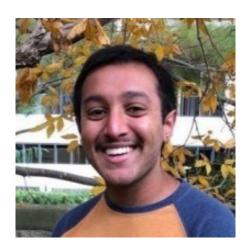

Many pairs stopped in game, and some pairs gambled and played in a highly inferior 6NT. The NT slam succeeds because the SQ and DK are both favorably placed. The heart slam is a much better proposition and the juniors did well to get there.

With 21HCP including a singleton ace, Brandon opened 2C. Zach responded with a semi-positive 2D bid and Brandon made the key bid: He rebid 2H on his weakish five-card heart suit. (This is a good time not to play a convention like Kokish, where 2H

would be a relay to 2S and opener would only be able to show his heart suit at the three level.) Holding good trumps and a six-card side suit, Zach bid RKC and followed with the slam bid when Brandon showed four keycards.

There are many possibilities for twelve (or even thirteen) tricks in hearts, including a club split and various finessing and ruffing positions. Jessie Cai led the DJ and declarer won the queen. Brandon cashed the CA and led a heart to dummy. Dummy's CK was cashed, followed by a high heart. When both defenders followed to the second heart, declarer cashed the SAK and trumped a spade in dummy before returning to his hand with the DA to draw the last trump and claim twelve tricks.

# Meet the Players

**Sarik Goyal** is interested in GIS and Data Analysis, especially when applied to social and political issues. He has an extensive background in using quantitative methods to support voting rights and combat gerrymandering. He has research experience in related topics such as redistricting methods, communities of interest, and gerrymandering metrics.

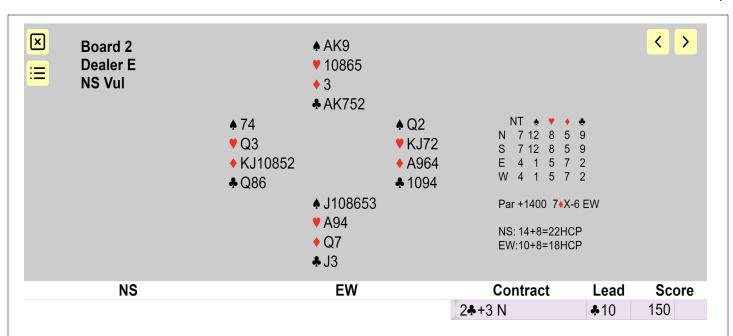

Outside of my academic interests, I am an avid contract bridge player who places well in Regional and National events.

Sarik attended Northwestern University where he was a member of the Class of 2021.

He regularly partners Kyle Rockoff where they play a sophisticated, homebrew system.

His favorite conventions include transfers over 1C, Schuler Shift and Mexican 2D.

Sarik's BBO username is rick853 and he is an ACBL Bronze Life Master. He is playing this event as captain of the the Lall's Juniors Team.

This is an interesting RealBridge deal. The analysis is correct but seems faulty because "par" is so outlandish. Two world class pairs played this board in a practice round. North/South stopped in 2C making five. That seems far more reasonable than E/S bidding 7DX and going down SIX! Even if South opens a somewhat twisted weak 2S, it would be unlikely for N/S to bid slam off a keycard and the trump queen on a combined 9-card trump holding.

In "real life," would you as E/W expect -1400 to be anything but a ZERO on this board?

And if you were E/W and had teammates, would you expect them to find the slam?
