## Good Luck to All

Several Committees of the USBF meet online as Forums on BridgeWinners. These groups impact future United States Bridge Championships. Among these committees are the **USBF Tournament Policy Committee, the USBF Technical Committee, and the USBF Systems Committee.** These committees formerly known as the ITT committees make decisions that impact you as participants in our Competitions.

All of these committees and more are active as Forums on BridgeWinners. If you, as a member of the USBF, would like to be involved in our future decision making process, you are welcome to visit there, participate, and read up on the current outlook.

For access to the BW Forums, email Jan to request your access at [marteljan@gmail.com](mailto:marteljan@gmail.com).

We encourage your involvement. Your input and your interest is important to us.

# Limey Jack...

"TRIALS" AND TRIBULATIONS

Blimey, Yanks:

You never give a bloke time for a proper kip.

As only Limey Jack could have predicted, Ivatury made the first final along with Kolesnik. At least 5 members of the Ivatury squad were pulling for Zia to lose the final of the Open as that allowed their team to stay intact. What would they have done without Garner? Kolesnik led the field in the Round Robin and the gap after 2nd was a near abyss.

As Ivatury has less flaws, they become USA 1 while Kolesnik will need to rejoust.

Pepsi-Kent: Pepsi could field a quality 4 handed European team from this lot. With that in their favour, one could hardly fail to place a bob or two on the nose.

Donner-Radin: If seniority counted Radin would win without ever using the spurs, but this game belongs to the youth. Those Grossack lads will lead Radin on a merry chase, always struggling to fathom what is apace. With one European on each sextet, call that a draw. Donner at the wire.

Rosenthal-Byrnes: Rosenthal is much stronger and will prevail for now, but sure as Aunt Tilly burnt the kidney pie, 5 handed is a bad recipe.

Howie Dung will make some ill fated attempt at being Robert Frost and will fail miserably, being the addle headed twit that he is, but Limey Jack has the goods. Ring up the Punter and cash a cheque straight away.

Cheers, LJ

## Howie Doing... MUSBC Teams Entered Alphabetical Order

No pair inspires  
Like Garner and Meyers  
And that is Cristal clear.  
With Uday and Henner  
They're sure to trounce Brenner  
Of that I have no fear!

Pepsi and May  
Came to play and will stay,  
Making short work of Bob and of Ellen.  
My thoughts for a penny?  
I'm picking Jenny,  
Good bye to Mark and to Selen.

Both Adam and Zach  
Next year will be back.  
This year they're all done dueling.  
Radin is wise,  
Her eyes on the prize,  
She won't need no "oh shit" ruling.

With his 5 person crew,  
Andrew stomps Gu.  
The Rosenbergs once again reign,  
Byrnes fire fizzles  
While Migry, she sizzles,  
The picks here are perfectly plain!

**Lionel Messi:**

**"There are more important things in life than winning or losing a game."**

**Kobe Bryant:**

**"Winning takes precedence over all. There's no gray area. No almos.**

A man placed some flowers on the grave of his dearly departed mother and started back toward his car when his attention was diverted to another man kneeling at a grave. The man seemed to be praying with profound intensity and kept repeating, "Why did you have to die? Why did you have to die?"

The first man approached him and said, "Sir, I don't wish to interfere with your private grief, but this demonstration of pain is more than I've ever seen before. For whom do you mourn so deeply? A child? A parent?"

The mourner took a moment to collect himself, then replied, "My wife's first husband."

Board 2 presented an interesting bidding problem for the North hand. Hotamisliligil opened 1S. This was passed around to North. Garner could do nothing more than bid 2D without an unusual 2NT available in this position. Opener rebid 2S which was again passed around to Garner who now bid 3C. This was passed around to Aquino who tried 3S. Following the pattern, this was passed around to Meyers who balanced with 4C. With diamonds breaking favorably, declarer was able to take eleven tricks.

In Rosenthal/Radin, Migry opened 1S and, at favorable, Willenken responded 1NT. Lev could have bid 2NT so show both minors. Instead, he chose 2D. Migry competed with 2S. Molson doubled to show her heart suit and values. When Lev bid 3C, Molson did not know this was a 5 card suit and corrected to 3D where Lev took 10 tricks.

5C is a little lucky but some pairs should get there..

# Pun Fun!

What happened after an explosion at a French cheese factory? All that was left was de brie.

What is a cannibal's favourite cheese? Limburger.

What did the blind man say after being handed a cheese grater? "That's the most violent book I've ever read."

A friend and I were standing in line at a fast-food restaurant, waiting to place our order. There was a big sign posted. "No bills larger than \$20 will be accepted." The woman in front of us, pointing to the sign, remarked, "Believe me, if I HAD a bill larger than \$20, I wouldn't be eating here."

Q: Why did the Hobbit get a job at Burger King?

A: He wanted to be "Lord of the Onion Rings".

Where do burgers like to dance? At a meat ball!

Where did the fortune teller go on her vacation? To Palm Beach.

"Five dollars for one question!" said the woman to the fortune teller. "That's very expensive, isn't it?" "Next question!"

A friend started a career as a psychic but gave it up. Couldn't see any future in it.

If it's the Psychic Network why do they need a phone number?

What do you call a fat psychic? A four chin teller.

5D	Pass	Pass	5S
Double	All Pass		

The second match of the day got off to a fast start. In the Radin/Kolesnik match, both North players chose to open 4S. This was passed around to West who balanced with 5D on the 20 HCP and good 6-card suit. While 5D could be defeated 2 tricks if North is able to negotiate a heart ruff, neither pair was allowed to play there. West might have chosen to balance with double which could have ended with -590 or worse if East pulls to 5H. That goes for 1100. At both tables, 5D

was passed to South who bid 5S. West doubled. A diamond was led. Declarer won the DA and trumped a diamond, cashed the SA, trumped a heart and played a second spade. East won the SK and the defense took 2 club tricks for -100 and a push board. 5S was insurance in IMPs!

No one knows how to handle a 6-6 hand... and this hand may be the worst 6-6 ever! Both Norths avoided bidding as long as possible.

When Brenner opened a Precision 2C, Molson had a tough decision. She held a one-suited hand too good to simply overcall diamonds... and if she needed them, she had four good hearts. She chose to double hoping to describe her hand below the six level. When Caprera jammed the auction with 5C, she was in trouble. Lev presumed a normal t/o double and bid his better 6-card suit. Molson corrected 5S to 6D and Lev diagnosed a two-suited and bid 6H. Brenner led the CK, drawing the CQ from her partner. She dutifully switched to spades. Dummy ruffed the second round of spades. Declarer cashed the HA, ruffed a diamond, crossed to the HK, and ran diamonds until Brenner ruffed in. Lev might have tried the trick play of ruffing a diamond in hand and leading the HJ. It's easy to make the mistake of covering with the queen especially holding the QT, not knowing declarer has a 6-card trump suit. Lev took 10 tricks... -200.

At the other table, should you notice, this board was played "upside down." (note player names!) The auction started slowly and Mandala was able to show both red suits at the 2-level. When Radin jumped to 5C, Woolsey had no problem showing his 6 card support for pard's second suit. They played a level lower than their opponents and finished down one for a 3 IMP gain.

## Vugraph

---

The 2019 Mixed USBC will be covered on BBO Vugraph starting with the SemiFinals , in which we will cover both matches. The Semifinal starts Friday, May 24th.

To watch the Vugraph online, go to the **BBO website** where you can either log on directly from your browser, go to "Vugraph" and choose which table to watch, or use the download version of the BBO software to run BBO on your computer (only available if you already have it, not to new users). If you choose the latter approach, from the Lobby, click on the button labeled VUGRAPH and you'll be able to choose which of the matches you want to watch.

To watch on your smartphone or tablet, install the BBO app and watch using that.

There will often be a "yellow" user on BBO called USBF. If you have general questions, please ask USBF, not one of the hard-working Vugraph operators, who may not have time to respond to private messages.

Each day's schedule is the same (these are Chicago times; to see the times for your time-zone, go to the **BBO Vugraph schedule site**)

10:00-12:10

12:25-2:35

3:45-5:55

6:10-8:20

All of the teams will play the same boards throughout the event.

---

### Hints for BBO viewers

Useful information is available to browser BBO users [and perhaps some mobile bbo users] if you click on the name of the table/event you will get a pop-up that:

- \* displays the BBO Schedule for the specific vugraph event – calculated for the time zone of the viewer's electronic device
- \* has a link to the home page for the event

if you click on a player name you will usually get a pop-up that

- \* displays a picture of the player
- \* shows links to System Summary Forms (SSFs), Convention Cards (CCs), and biographical information

VIDEO: Live video streaming is not available for this event.

---

Video from the event tables will be uploaded to YouTube as soon as we can manage.

After a session, you can review the Vugraph action on our Web Vugraphs, which show each hand played with a link to bidding and play records. Take a look at the older events currently available (under Archived Results) to see what we'll have for the 2019 Open USBC. Web Vugraphs are posted about half an hour after completion of the Vugraph show.

You can find the hand records for USBC matches on this site, linked to the scorecards you can get to by clicking on 2019 Open USBC under "Event Results" in the upper left of each page.

If you are going to be in the Chicago area during the Mixed USBC and want to volunteer to help as a Vugraph operator, please **email Jan Martel**.

# Hospitality Suite...

The hospitality suite for the 2019 Mixed USBC will be room 2321. Our wonderful hostess, Molly O'Neill will be in Schaumburg to welcome you to the Hospitality Suite, with a lot of help from other volunteers.

The hospitality suite will be open starting on Tuesday evening and continuing throughout the event. Breakfast will be served each day from 8:00-10:30 and lunch each day from about 1:00-4:00. Players, kibitzers, friends, spouses and children are welcome to join us in the hospitality suite.

The hospitality suite will be open for Vugraph, casual chit chat, drinks & snacks during the rest of the playing hours and for a short time after the end of the day.

The "Players' Break Room" (aka Jan & McKenzie's office) is room 1321. It will be available for the entire tournament. We will have coffee, soft drinks and some snacks available in that room while you wait for your slow teammates to finish playing.

**No Electronic Devices are Permitted in the Playing Area.**  
**This applies to players AND kibitzers.**  
**Severe penalties will be assessed for violation of this rule. Please turn off all cell phones and check them at the door. The USBF reserves the right to wand anyone entering the playing field.**

Over Labor Day weekend, the 52nd Annual Cookie Challenge was held by the Tastefully Sweet Bakery Shop. The Cookie Challenge traditionally signaled the end of summer for Millersville, but was also greeted with great enthusiasm by the townspeople. Each year, the town's aspiring bakers brought in their best-ever cookie recipes and on Labor Day, the official Bake-off challenge was held, complete with prizes awarded to the winners. Dozens of cookies were made from the ten finalist recipes and were open to all for judging. The final four winners were determined by the official judges of the event and a fifth prize was awarded to the favorite cookie chosen by the attending townspeople. This year the favorite cookie was not one of the four contest winners, a phenomenon that seldom occurred. Determine the full name of each cookie challenge winner as well as the winning place and type of cookie of each recipe.

1. Marion's cookie, which wasn't oatmeal raisin, didn't win first place. The person whose last name was Green submitted the multigrain cookie recipe.
2. Charlie Stevens didn't submit a chocolate chip cookie recipe.
3. The favorite cookie wasn't Eileen's recipe. The fourth place winner wasn't the double chocolate cookie.
4. The oatmeal raisin cookie beat Elliot's cookie by one place. Ms. Stewart's cookie, which wasn't chocolate chip, was voted the favorite cookie of the event.
5. The person whose last name was Crofter won second place, but not with a double chocolate cookie. The white chocolate macadamia nut cookie wasn't the first place winner.
6. The oatmeal raisin cookie, which wasn't Eileen's recipe, was made by the person whose last name was Field. Sally's cookie, which wasn't the multigrain, won third place.

What do you call sad coffee? Despresso.

What do Chocolate, men, and coffee have in common? They are all better rich!

A man went to his doctor and said, "Every time I drink my coffee, I get a stabbing pain in my right eye," The doctor said, "well, have you tried taking the spoon out?"

### USBF Supporting Membership

If you don't want to play in the USBF Championships that choose teams to represent the USA in the World Bridge Federation Championships, but do want to aid our events, a **Supporting Membership** can be the perfect way for you to be involved. As a Supporting Member, you are eligible to:

1. Enter the fantasy brackets, run on Bridge Winners, for the USBF trials choosing our Open and Senior teams for the World Championships. The highest-ranking Supporting Member in the fantasy brackets for each of these two events will win the prize of your choice - either an online match against the USBC winners or dinner with them at the next NABC.
2. Receive daily emails during the USBF Championships. These will summarize the previous day's results and provide vugraph information and links to daily bulletins containing pictures and commentary on individual hands.
3. Upon advanced request, make arrangements for you to kibitz a USBF member of your choice for a session once each year – either at an NABC or the USBF Championships.
4. Upon advanced request, we will arrange for you to be one of the vugraph commentators for one session of the team trials.

A Supporting Membership is \$25 for one year (\$75 for 3 years) and the ACBL now offers you the chance to become an USBF Supporting Member when you renew your ACBL membership. If you don't want to wait that long, you can join by choosing the red Donate Now button on the USBF website. Your donation will be used to cover inevitable expenses: attorney fees, accounting fees, website support services, tournament directors, insurance, WBF dues, and vugraph operators. The USBF is an all-volunteer organization. Our meetings are by conference call and at NABCS. Board members and the organization's officers are not compensated for meetings, travel, or hotel expenses.

We hope you will join us.
